

CJA COMMITTEE APPOINTMENT REQUEST FORM

2020/21 CJA Committee Preferences

Did you know you can volunteer for a committee online? It's EASY!

Save time and paper. Get involved faster.

Committees are appointed in July and some meet to organize at the Annual Meeting in September. A request for assignment is a commitment to attend meetings (some during conferences), clear time for conference calls, and respond to requests by e-mail to review legislation. (Even if you cannot attend the organizational meeting, please volunteer in your area of interest.) We promise to use your time well!

Please review the committee descriptions enclosed and indicate which assignments you would prefer. Note any special area of expertise or interest to assist the President-elect to balance the committee, (i.e., drug court, complex litigation, pensions, former news reporter, etc.).
