

### **Join the California Energy Commission Team!**

Interested in a career in clean energy? Does a career in promoting energy that is renewable, efficient, reliable, and mitigates climate change fit your career goal? Join our diverse team of global energy leaders! The CEC plays a critical role in creating the energy system of the future. This position is open to all interested applicants both inside and outside of state service. To be eligible, please complete the assessment and submit an application.

The Chief Counsel's Office is searching for enthusiastic and energetic professionals for the positions of Attorney III, Attorney IV, and Attorney V. We are a full-service law office involved in all phases of Commission activity where attorneys have an opportunity to work directly and closely with the state's principal energy policymakers. Our goal is to provide the legal support and guidance necessary for the Commission to further its mission. That's where you come in!

State employment offers competitive benefits such as health, dental, vision, telework, leave benefits, work/life balance, student loan forgiveness, insurance, retirement, and more. To view more information about the [outstanding benefits](#) offered to state employees, visit <https://www.calhr.ca.gov/employees/pages/salary-and-benefits.aspx>.
